# BUILT TO LAST THAT'S A PROMISE

*Protecting you and the next generation.*

Harsh weather is no threat to SKY® fabrics. Ready for all conditions, the quality is unrivalled by other PVC fabrics. Because of this, we are confident to offer a product warranty that outshines the competition. This technical and architectural fabric has been created by an innovative company with more than 100 years' experience in manufacturing textiles. Our 12 year warranty has not been given lightly - it is our promise to you that SKY® fabrics are built to last.

- Industry leading warranty
- Best mechanical resistance
- Proven product worldwide
- Protecting people + facilities for longer
